

# Jurupa Girls Softball

Each year, the Jurupa Girls Softball (JGS) Board reviews the highlights of the prior year's All-Star Program to make improvements. Our goal is to ensure that All-Star players make the team based upon their playing ability and that the selected qualified managers are highly committed to motivate players at this advanced level of play. The intent of this letter is informational, so that you know the program and participant expectations.

Interested All-Star participants should carefully evaluate the following before making the All-Star commitment:

1. Are you ready for the physical commitment?
2. Are you ready for the financial commitment? (minimum \$300)
3. Are you ready for a minimum 3-4 hour practices, 4 times a week?
4. Are you willing to forego vacation plans while your children are off-track or during the summer?
5. Are you willing to objectively support your manager without questioning their decisions related to how often or what position(s) your daughter plays?
6. Are you ready to be part of something that is an honor and privilege?
7. Are you willing to be active in helping our league in running an all-star tournament?

If you have any reservations, then an All-Star commitment may not be right for you. If you can answer "YES" to all of these questions, without hesitation, then you are ready to consider an All-Star commitment.

Here is some information that may assist you in making your decision:

1. The All-Star Tournament season typically runs from May 1<sup>st</sup> – July 15<sup>th</sup>. Whenever possible, all age divisions will play in the same tournaments. The tentative tournament schedule is as follows:  
Tournament 1 Walnut-- 5/24/19-5/27/19  
Tournament 2 Charter Oak – 5/31/19-6/2/19  
Jurupa Tournament 3 – 06/14/19-6/16/19 (All parents required to assist with tournament activities)  
Tournament 4 Chino – 06/28/19 – 06/30/19  
District Tournament – 06/21/19 – 06/23/19 (teams MAY advance to State tournament mid-July)
2. Practice times, locations and durations are at the manager's discretion and subject to change at any time.
3. Each All-Star team may consist of up to 12-14 players, and it is the sole discretion of the All-Star managers to determine who gets playing time. The managers/coaches will play the All-Star players where they feel is most beneficial for the team. Players will most likely play a specific position on the field. In some cases, the manager may only select to bat nine (9) players, use the DP/Flex system, or bat the whole team. It is up to the All-Star managers/coaches as to how to manage the team. There is the possibility that your daughter will not play but an inning or two throughout the All-Star season.
